WHERE WE HELP

- **IRAP, Essential Eight, DISP**
- **ISO 27001 (ISMS), ISO 42001 (AI)**
- **Vulnerability Scans, Penetration Tests**
- **SOC 2, RFFR**
- **vCISO, Risk Management**
- **Cyber Awareness, Board Reporting**

How We Help

IRAP Assessments

ASD-endorsed independent assessments for OFFICIAL:Sensitive, PROTECTED, and SECRET.

Essential Eight

Maturity assessments, gap analysis, and control mapping against the ACSC model.

ISO 27001 & 42001

Readiness, gap analysis, Statement of Applicability, and certification support.

SOC 2, RFFR, DISP

End-to-end readiness and external audit/review support.

Virtual CISO

Senior security leadership on retainer. Board reporting, risk reviews, compliance oversight.

Penetration Testing

Web, mobile, API, network, and cloud configuration testing by certified testers.

CYBERNION
